Protect Your Goods

Availability

CargoEdge® Cargo Insurance – Protects your freight shipments in transit, as well as warehoused* goods, against loss or damage with higher coverage limits than most standard carrier liability programs. Whether you're shipping via land, ocean or air, we offer worldwide coverage for both package and freight shipments, regardless of the transportation carrier. This solution extends to freight collect and third-party shipments and can cover against concealed damage, theft, natural disasters and shipping accidents, all in one simplified policy.

USA, Brazil, France, Germany, Hong Kong, Italy, UK

Flexible Parcel Insurance – Protects time- and temperature-sensitive, perishable and other hard-to-value items against loss, damage or delay. You select the coverage at the time of shipping with no upfront costs or deposits. If there is a loss, it covers up to the full selling price.

USA, Hong Kong

Flexible Parcel Multi-Carrier Coverage – Insure all your small package shipments under one simple policy, regardless of your approved transportation carrier(s). Select which shipments to insure and their insurable values, and pay as you go.

USA, Hong Kong

Insured Transportation for High-Value Goods – Insured shipping of jewelry, loose stones and other high-value goods up to \$150,000 within the U.S. and to and from select countries or territories up to \$100,000. Proprietary risk mitigation tools and processes reduce the risk of loss and theft, while key service offices located in major jewelry districts globally provide convenience and security.

USA, Canada, France, Germany, Hong Kong, Italy, Japan, Singapore, Thailand, UK

UPS Proactive Response® Secure – An industry-first solution, UPS Proactive Response Secure pairs a sophisticated monitoring engine with a team of dedicated logistics experts to anticipate problems, intervene and take corrective action — all for one flat fee per package.

USA, Belgium, France, Germany, Italy, Netherlands, UK/Ireland

UPS Capital Elite™ for Vintners – Protects your in-transit bottled wine, up to your selling cost, against breakage and temperature-related issues, such as cork push or seepage. Plus, for larger shipments, coverage is available through a cargo policy that covers multiple modes and multiple carriers, whether you ship within the United States or overseas.

USA

Customized Declared Value – Provides an extra level of protection for high-value, time-sensitive, perishable or hard-to-value items and documents, with coverage up to \$50,000 USD or local currency equivalent per UPS® small package.

Austria, Belgium, Canada, China, France, Germany, Italy, Korea, Malaysia, Mexico, Netherlands, Singapore, Spain, Switzerland, Taiwan, Thailand, UK, Vietnam

Customized Declared Value for Wine – Protects your in-transit bottled wine, up to the selling cost, against breakage and temperature-related issues such as cork push or seepage. For higher value shipments, you have the option of adding more protection — up to full retail cost.

France, Italy

Product Liability Insurance – Protects against injury, illness and accidental loss or damage resulting from design, manufacturing, instruction and warning defects.

Hong Kong

Seguro de Remessas Expressas – Insures small package export shipments up to \$50,000 USD per shipment and covers up to the full retail value of your goods, including freight and expenses (10% of FOB plus freight).
