

THE BRIGHTER SIDE OF SHIPPING

Coverage you and your customers can count on.

Shipping problems are inevitable, but time wasted fixing them doesn't have to be.

InsureShield™ shipping insurance helps you handle the everyday issues that come up, providing a better customer experience and reducing frustration in the process.

Fast Claims Payment

Never stress about tracking down a claim again. We pay most of our claims in a matter of days, and you will always have access to our 24/7 claims portal.

Full-Value Reimbursement

Get coverage for what it's really worth. With us, you're reimbursed up to the invoice value of your shipped goods, plus freight – in the event of a loss or damage.

Extended Claims Period

Give your customers peace of mind knowing they have time after a package is delivered to identify any damage with up to 90 days to report concealed damages and up to 9 months to file claims.

Theft Protection

Porch piracy is on the rise, but they won't steal your good customer ratings. With UPS Capital, you're covered for mysterious disappearances of goods post-delivery.

Non-Delivery Coverage

If a shipment is headed back to you due to being refused or returned, you're still covered. If a package gets damaged or doesn't find its way back for any reason, you're not out of luck.

Expedited Reshipment

When the worst does happen, your customers will never have to go without their item for long. You can reship and relax because we cover expediting costs up to 20% of the insured value.

For coverage beyond UPS® shipments, contact your account manager or call 877-263-8772.

Insurance coverage is underwritten by an authorized insurance company and issued through licensed insurance producers, including UPS Capital Insurance Agency, Inc. ("UPSCIA"), a subsidiary of UPS Capital Corporation ("UPS Capital"). The insurance company, UPSCIA and its licensed affiliates reserve the right to change or cancel the program at any time. You may be offered the opportunity to insure eligible shipments under a policy of insurance (the "Policy") issued: (i) directly to you; (ii) to UPS Capital; or (iii) to the sender/publisher of this communication. Where the Policy is issued to UPS Capital or such sender/publisher, such Policy extends coverage to your eligible shipments, but you are neither an insured nor an additional insured under such Policy. In the event of a loss covered under such Policy, any resulting claim payment shall be directed to you as a loss payee. This information does not in any way alter or amend the terms, limitations or exclusions of the applicable Policy and is intended only as a brief summary. Insurance coverage is not available in all jurisdictions and coverage is governed by the terms, conditions, limitations and exclusions set forth in the applicable Policy.
